The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

ADDITIONAL COMMENTS

1. Signage present at the entrance to the site.
2. Access path is in good shape.
3. Site markers were present.
4. No discharges outside of the permitted boundaries noticed.
5. Did not noticed any recent applications. No spot dumps or thick applications noticed.
6. Field had been lightly disked and seeded. Seeds starting to germinate.
7. No application at time of inspection. pH not checked.
8. No objectionable odors noticed.
9. No change noticed in the area that would affect the setbacks.
10. Records not checked.
11. Collected a soil sample from the field. Be careful with disking of the field. You do not want to destroy your bermudagrass.
